INDEPENDENT AUDITOR'S REPORT

Board of County Commissioners Gray County, Kansas

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Gray County, Kansas as of and for the year ended December 31, 2012 and the related notes to the financial statement.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note A to meet the financial reporting requirements of the State of Kansas. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note A, the financial statement is prepared by the Gray County, Kansas to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note A and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Gray County, Kansas as of December 31, 2012, or changes in financial position and cash flows thereof for the year then ended.

Opinion on Regulatory Basis of Accounting

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balances of Gray County, Kansas as of December 31, 2012, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note A.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expendituresactual and budget, individual fund schedules of regulatory basis receipts and expenditures, schedule of regulatory basis receipts and disbursements-agency funds (Schedules 1, 2, and 3 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the Kansas Municipal Audit and Accounting Guide. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note A.

The 2011 Actual columns presented in the individual fund schedules of cash receipts and expenditures, (Schedule 2 as listed in the table of contents) upon which we rendered an unqualified opinion dated June 4, 2012, are also presented for comparative analysis and are not a required part of the 2012 financial statement. The 2011 financial statements and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration, Office of Management and Analysis and Standards at the following link http://da.ks.gov/ar/muniserv/. Such 2011 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2011 financial statements. The 2011 comparative information was subjected to the auditing procedures applied in the audit of the 2011 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2011 financial statements or to the 2011 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2011 comparative information is fairly stated in all material respects in relation to the 2011 financial statements as a whole.

The notes to the financial statement are an integral part of this statement.

NOTES TO FINANCIAL STATEMENT

December 31, 2012

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Financial Reporting Entity

Gray County is a municipal corporation governed by an elected three-member commission. This financial statement presents Gray County, Kansas, (the primary government) and does not include the following related municipal entities:

Gray County Free Fair Association: The Association is fiscally dependent on the County and the budget is approved by the County Commissioners. In addition, the Association is prohibited from issuing bonded debt without the approval of the County Commission.

Gray County Library District: The members of the governing board of the District are appointed by the County Commissioners. The District is fiscally dependent on the County and the budget is approved by the County Commissioners. In addition, the District is prohibited from issuing bonded debt without the approval of the County Commission.

Gray County Extension Council: The Council is fiscally dependent on the County and the budget is approved by the County Commissioners. In addition, the Council is prohibited from issuing bonded debt without the approval of the County Commission.

2. Regulatory Basis Fund Types

General fund - the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

<u>Special Purpose fund</u> – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

<u>Agency fund</u> – funds used to report assets held by the municipal reporting entity in a purely custodial capacity.

3. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America

The Kansas Municipal Audit and Accounting Guide (KMAAG) regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis revenues and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows other than those mentioned above.

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America (continued)

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

4. Budgetary information

Kansas statutes require that an annual operating budget be legally adopted for the general fund and special purpose funds (unless specifically exempted by statute). Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.

2. Publication in local newspaper on or before August 5th of the proposed

budget and notice of public hearing on the budget.

3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.

4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison statements are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for agency funds and the following special purpose funds:

Special Highway
Register of Deeds Technology
Special Health
Regional Bio-Terrorism
Ambulance Special Equipment
PSAP 911E
Ambulance Spec Equip - South
Search and Rescue
Enhanced 911 Grant
Capital Improvements
Equipment Reserve
CDBG Grant #1

Prosecuting Attorney Training
Sex Offender
Special Law Enforcement Trust
Special Vehicle
Postage
Veterans Memorial
Law Enforcement Equipment
Alcohol Programs
Parks and Recreation
Rural Fire Training
Drug Task Force

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. <u>Budgetary information (continued)</u>

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

B. DEPOSITS AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds to have a main or branch bank in the county in which the County is located, or in an adjoining county if such institution has been designated as an official depository, and the banks to provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no investment policy that would further limit its investment choices.

Custodial credit risk - deposits. Custodial credit risk is the risk that, in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka. All deposits were legally secured at December 31, 2012.

At December 31, 2012 the carrying amount of the County's deposits, including certificates of deposit, was \$14,736,565 and the bank balance was \$14,908,738. Of the bank balance, \$1,691,279 was covered by federal depository insurance, and \$13,217,459 was collateralized with securities held by the pledging financial institutions agents in the County's name.

C. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS

1. Other Employee Benefits

Vacation leave – The County's policies regarding vacations permit employees to accumulate a maximum of eighteen calendar days of vacation. Upon termination or resignation from service with the County, employees are entitled to payment for all accumulated vacation earned prior to termination or resignation up to a maximum of eighteen days.

Sick leave – All employees on permanent status earn sick leave at the rate of one calendar day per month with a maximum accumulation of one hundred thirty calendar days of sick leave. No allowance for unused sick leave is paid upon termination or resignation. The County has a sick leave bank whereby employees can transfer excess sick leave to a bank to be used by employees who are on extended sick leave and have exhausted their own sick leave accumulation. The sick leave bank is administered by the County Commissioners.

C. OTHER LONG-TERM OBLIGATIONS FROM OPERATIONS (CONTINUED)

1. Other Employee Benefits (continued)

Section 125 Cafeteria Plan/Health Insurance – The County offers a section 125 cafeteria plan for all employees electing to participate. Participants may use this for health insurance premiums, other medical costs and child care costs. The plan is administered by an independent insurance company.

Section 457 Deferred Compensation Plan – The County offers employees a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457.

2. Other Post Employment Benefits

As provided by K.S.A. 12-5040, the County allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charge a level of premium regardless of age.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outline by the federal government for this coverage.

D. DEFINED BENEFIT PENSION PLAN

Plan description. Gray County contributes to the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen's Retirement System (KP&F). Both are cost-sharing multiple-employer defined benefit pension plans as provided by K.S.A. 74-4901, et seq. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. Those reports may be obtained by writing to KPERS (611 S. Kansas, Suite 100; Topeka, KS 66603), at the following website: http://www.kpers.org/annualreport2012.pdf or by calling 1-888-275-5737.

Funding Policy. K.S.A. 74-4919 and 74-49,210 establishes the KPERS member-employee contribution rate. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. Tier 1 members are active and contributing members hired before July, 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 4% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. The employer collects and remits member-employee contributions according to the provisions of Section 414(h) of the Internal Revenue Code. Kansas law provides that employer contribution rates be determined annually based on the results of an annual actuarial valuation. KPERS is funded on an actuarial reserve basis. Kansas law sets a limitation on annual increases in the employer contribution rates.

D. DEFINED BENEFIT PENSION PLAN (CONTINUED)

The County employer contributions to KPERS for the years ending December 31, 2012, 2011, and 2010 were \$182,169, \$164,720, and \$146,298, respectively, equal to the required contributions for each year. Employers participating in KP&F also make contributions to amortize the liability for past service costs, if any, which is determined separately for each participating employer. The County contributions to KP&F for the years ending December 31, 2012, 2011, and 2010 were \$69,044, \$61,973, and \$54,151, respectively, equal to the required contributions for each year.

E. LONG-TERM DEBT

Changes in long-term liabilities for the entity for the year ended December 31, 2012, were as follows:

<u>Issue</u>	be	alance eginning of year	Additions/ net change	ductions/ et change	Balance end of year	 nterest paid
Capital leases: Screen machines Issued February 29, 2008 In the amount of \$161,839 At interest rate of 4.19% Maturing March 1, 2012	\$	33,667	\$ -	\$ 33,667	\$ -	\$ 1,411

G. COMMITMENTS

The County has agreed to participation in an Interlocal Cooperation Agreement with five other counties, known as the Western Kansas Development Organization (WEKANDO). The agreement is to run for thirteen years commencing in 2010 and ending in 2022. The purpose of the organization is to develop and undertake programs to promote economic growth in the area. Gray County's funding assessment for years 2012, 2011, and 2010 is \$64,909, \$63,935, and \$47,872 respectively. The assessment will be allocated between the member counties on a pro-rata percentage based on the annual valuations through 2015. That percentage shall be converted to a mill levy amount and applied equally to each county to raise a total amount each year of \$1,000,000. The assessment for 2013 is \$69,735, to be paid from the General Fund, supported by the general tax revenues of the County.

H. RISK MANAGEMENT

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County participates in public entity risk pools to cover property, liability and worker's compensation claims. There have been no significant reductions in coverage from the prior year. Settled claims from these risks have not exceeded commercial insurance coverage in any of the past three years.

I. PUBLIC ENTITY RISK POOLS

The County is a member of the Kansas Workers Risk Cooperative for Counties (KWORCC), a group funded pool for workers compensation coverage which was formed through the Kansas Municipal Group-Funded Pool Act, K.S.A. 12-2616, et seq. This is a public entity risk pool which operates as a common risk management and insurance program for member counties. The County pays an annual contribution to the Cooperative as determined by the seven-member Board of Trustees based upon experience modification factors, payroll audits and any other bases the Board considers appropriate. It is not possible to estimate the maximum contributions which could be required. KWORCC covers claims up to \$600,000 each and aggregate excess reinsurance provides aggregate coverage up to \$3,000,000. Except for required contributions, no member can be held responsible for any claims made against any other member.

The County also is a member of the Kansas County Association Multi-Line Pool (KCAMP), a group funded pool for property, liability, crime and surety coverage which was formed through the Kansas Municipal Group-Funded Pool Act, K.S.A. 12-2616, et seq. This is a public entity risk pool which operates as a common risk management and insurance program for member counties. The County pays an annual contribution to the Pool as determined by the nine-member Board of Trustees. It is not possible to estimate the maximum contributions which could be required. KCAMP covers property loss up to the scheduled amount of values on file which is \$14,771,010, \$300,000 for liability and \$150,000 for crime. Excess reinsurance provides aggregate coverage up \$1,700,000 for liability. Except for required contributions, no member can be held responsible for any claims made against any other member.

J. CONTINGENCIES

The County receives Federal and State Grants for specific purposes that are subject to review and audit by Federal and State agencies. Such audits could result in a request for reimbursement for expenditures disallowed under the terms and conditions of the appropriate agency. In the opinion of County management, such disallowances, if any, would be insignificant.

K. SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 26, 2013, the date on which the financial statements were available to be used. Management's evaluation concluded that there are no subsequent events that are required to be recognized or disclosed in these financial statements.
